

Name: Ahmet
Surname: Akçay
Place of Birth: Perşembe-Ordu
Date of Birth: 28/09/1969

I was graduated from School of Medicine, Ankara University in 1995. I was appointed as practitioner in a health center in the province of Emirdag, Afyon in 1996. After I worked there for one year, I was appointed to Karşıyaka Health Center in Yenimahalle, Ankara.

In 1998, I was appointed to the emergency medicine department of Ankara Dr Muhittin Ulker Emergency Medicine and Traumatology Hospital, where I worked until 2003 when this hospital was closed.

After Dr. Muhittin Ülker Emergency Medicine and Traumatology Hospital was closed and Atatürk Training & Research Hospital was put into service in 2003, I started to work at Emergency Medicine department of Atatürk Training and Research Hospital. After I started working actively at the emergency medicine department until 2010, I was appointed to the Type B 112 (State Ambulance Service) station that was opened and integrated to Atatürk Training & Research Hospital.

I worked part time at Emergency Medicine Service of Güven Hospital for 2 years (2009 to 2011) and I quit my job there due to the Full-time Employment Act.

I resigned civil service in 2014 and started working at Memorial Ankara Hospital.

I worked at Medical Park Ankara Hospital in 2015.

I have been working at Güven hospital since November 2015.
