

CURRICULUM VITAE

Full Name: Ayşe Özgün Akman

Date of Birth: 30.11.1975

Place of Birth: Ankara

Nationality: R.T.

Foreign Language: English

Educational Status: Medical Doctor: School of Medicine, Ankara University, 1999

Pediatrician title: School of Medicine, Dokuz Eylül University, 2005

Residency Dissertation Study:

- The effectiveness of asthma therapy alternatives and evaluating the effectivity of asthma therapy by interleukin-13 and interferon gamma levels in children. Residency Dissertation Study, Department of Pediatrics, School of Medicine, Dokuz Eylül University, İzmir, 2005. Supervisor: Prof. Özkan Karaman, M.D.

Articles published in international journals:

- Corneal involvement in Papillon-Lefèvre syndrome. Saatci P, Arli AO, Demir K, Saatci AO, Kavakçu S. J Pediatr Ophthalmol Strabismus. 2006 May-Jun; 43(3): 167-9.
- Rhupus arthropathy as the presenting manifestation in Juvenile SLE: A case report. Unsal E, Arli AO, Akman H. Pediatr Rheumatol Online J. 2007 May 4;5: 7.
- Influences of different therapy protocols for chronic hepatitis B infection in Turkish children on nutritional anthropometric data. Ozturk Y, Arli AO, Arslan N, Bekem O, Hizli S, Buyukgebiz B. J Health Popul Nutr. 2004 Dec; 22(4): 443-4.
- Acute gastric volvulus due to congenital bands in a newborn case. Soyer T, Ozgun-Arli A, Ozturk H, Kaya IS. Turk J Pediatr. 2008 May-Jun; 50(3): 296-8.
- The effectiveness of asthma therapy alternatives and evaluating the effectiveness of asthma therapy by interleukin-13 and interferon gamma levels in children. Karaman O, Arli O, Uzuner N, Islekel H, Babayigit A, Olmez D, Kose S, Tezcan D. Allergy Asthma Proc. 2007 Mar-Apr; 28(2): 204-9

Articles published in local journals.

- Akman H, Arslan N, Arlı AÖ, Öztürk Y, Çakmakçı H, Büyükgebiz B., A child presented with flank pain and diagnosed with hydatid cyst in the liver. Dokuz Eylül University Medical School Journal, 2004, 18(3): 177-182.

Verbal presentation in local scientific meetings:

- Öztürk Y, Arslan N, **Arlı AÖ**, Bekem Ö, Hızlı Ş, Büyükgebiz B. Effectiveness of Chronic Hepatitis B Treatment in Children and Effects on Nutritional and Anthropometric Parameters. 39. Turkish Pediatrics Congress, Proceedings, 432, June 17-22, 2003- Cappadocia.

Local Poster Presentations:

- Babayiğit A, Köse S, Öztürk Y, Ünal N, Arlı AÖ, Karaman Ö, 'Recurrent Lung Infection: A report of case with cystic fibrosis', School of Medicine, Istanbul University, 25th Pediatrics Days, Child and Infection, April 16-18, 2003-İstanbul.
- Gürcü Ö, Ünal N, Arlı AÖ, Köse S, Turgut Ş, Tezcan D, Karaman Ö, 'A report of case with pulmonary sequestration and pneumococcal meningitis', School of Medicine, Istanbul University, 25th Pediatrics Days, Child and Infection, April 16-18, 2003-İstanbul
- Akman H, Arslan N, Arlı AÖ, Öztürk Y, Büyükgebiz B, 'A child presented with flank pain and diagnosed with hydatid cyst in the liver', School of Medicine, Istanbul University, 25th Pediatrics Days, Child and Infection, April 16-18, 2003-İstanbul.
- Arlı AÖ, Köse S, Karaman Ö, Turgut Ş, Tezcan D, 'An Endobronchial Tuberculosis Case ', School of Medicine, Istanbul University, 25th Pediatrics Days, Child and Infection, April 16-18, 2003-İstanbul.
- Arlı AÖ, Karaman Ö, Uzuner N, Dirik E, Babayiğit A, Tezcan D, 'Epilepsy after convulsions triggered by the use of salbutamol in a case with asthma', 3rd Turkish Pediatric Respiratory Tract Diseases Congress, April 7-10, 2004 – Kuşadası.
- Duman M, Özdemir D, **Arlı AÖ**, Akman H, Karakaya E, Ateş O, 'Comparing Resectable and Non-resectable Cases Presenting with Acute Abdominal Pain to Pediatric Emergency Service, 1st Turkish Pediatric Emergency and Intensive Care Congress, May 11-14, 2004 – Edirne.
- Hyperinsulinism as a cause of hypoglycemia in neonatal period: Report of three cases (21st UNEKO (2013))

- Case Report Nutritional Intolerance Healed by Fully Hydrolyzed Formula In a Premature Baby with Severe SGA (21st UNEKO (2013))
- Case report: Baby of Mother with Graves Diseases (58th Turkish Pediatrics Congress (2014))
- A Report of Hirschprung's Diseases in a Premature Baby (22nd UNEKO (2014))
- A Report of Sacrococcygeal Teratoma Case (22nd UNEKO (2014))
- Hyponatremia in Baby of Pre-eclamptic Mother (22nd UNEKO (2014))
- Cause of Hypotonia in a Neonate: A Case Report of Prader-Willi Syndrome (24th UNEKO (2016))

International Poster Presentations:

- Unsal E, **Arlı AO**. Chronic Oligoarthritis as The Presenting Symptom in Juvenile SLE. 11th European Paediatric Rheumatology Congress Annual Scientific Meeting of PReS, 9- 12 September 2004, Kosice, Slovakia.
- **Arlı AO**, Karaman O, Uzuner N, Babayigit A, Olmez D. The Effectivity of Asthma Therapy Alternatives and Evaluating The Effectivity of Asthma Therapy by Interleukin-13 And Interferon-gamma Levels in Children. World Allergy Congress, 2005.

Congresses and Symposiums:

- Pediatric Emergencies- 2 Meeting- On-the-job Training Seminar, November 21, 2001, İzmir
- DEU School of Medicine, 4th Pediatric Days Symposium, May 30-31, 2002, İzmir
- 46th Turkish Pediatrics Congress, First Pediatrics Residents Congress, October 15-19, 2002 Mersin.
- 4th Pediatric Emergency Medicine and Intensive Care Meeting, March 20-21, 2003, İzmir
- School of Medicine, Istanbul University, 25th Pediatrics Days, Child and Infection, April 16-18, 2003-İstanbul.
- Turkish Toxicology and Clinical Toxicology Symposium, May, 8-9, 2003 -İzmir
- Pediatric Thyroidology International Symposium, October 30 -November 1, 2003-İzmir
- Postgraduate Training Seminar on "Acute Rheumatic Fever", November 12, 2003 - Izmir
- DEU School of Medicine, 5th Pediatric Days Symposium, December 4-5, 2003, İzmir

- Urinary incontinence in children / Enuresis and incontinence, Symposium, December 19, 2003, İzmir
- Postgraduate Training Seminar on “Approach to Anemic Child”, 14.01.04 - İzmir
- 3rd Turkish Pediatric Respiratory Tract Diseases Congress, April 7-10, 2004- Kuşadası
- Postgraduate Training Seminar on “Respiratory Tract Infections in Children”, November 24, 2004,
- DEU School of Medicine, 6th Pediatric Days Symposium, December 2-3, 2004, İzmir
- Tuberculosis in the Pediatrics Symposium, March 30, 2005, İzmir
- Symposium on current Approaches to Respiratory Tract Diseases in Children, September 23-25, 2005
- Current Concept In the Care of Critically Ill Infants and Children Seminar, September 19-21, 2006
- 43rd Turkish Pediatrics Congress, May 16-20, 2007
- 16th Turkish Neonatology Congress (UNEKO-16): April 9-12, 2008.
- 4th Ankara Pediatrics Days, December 25-26, 2008
- Neonate Days, Dr. Zekai Tahir Burak Gynecology and Obstetrics Training and Research Hospital, March 20-21, 2009
- 6th Turkish Pediatric Emergency Medicine and Intensive Care Congress with International Participation, March 30 – April 3, 2009
- 3rd Turkish Vaccination Symposium, September 29 - October 3, 2009.
- 43rd Turkish Pediatrics Congress, May 18-22, 2010
- 55th Turkish Pediatrics Congress, October 12-16, 2011.
- 56th Turkish Pediatrics Congress, November 28 – December 2, 2012.
- 21th Turkish Neonatology Congress (UNEKO-21): April 14-17, 2013.
- 57th Turkish Pediatrics Congress, October 30, November 3, 2014.
- 22th Turkish Neonatology Congress (UNEKO-22): April 10-13, 2014.
- 58th Turkish Pediatrics Congress, October 22-26, 2014.
- Training Meeting of Turkish Society of Pediatrics – 66, Metabolic Programming, March 6-7, 2015
- 9th Turkish Pediatric Infectious Diseases Congress, April 5-8, 2015.
- 6th Turkish Vaccination Symposium, October 21-25, 2015.
- 59th Turkish Pediatrics Congress, November 4-8, 2015.

- 4th Congress on Nutrition of Pregnant Woman and Child in first 1000 Days from Fetal Life to Childhood, March 3-5, 2016
- 24th Turkish Neonatology Congress (UNEKO-24): April 17-20, 2016.
- 60th Turkish Pediatrics Congress, November 9-13, 2016.
- 25th Turkish Neonatology Congress (UNEKO-25): April 12-16, 2017.

Courses:

- Critical appraisal in evidence-based medical and diagnostic articles, March 16-17, 2004 – Izmir.
- Effective Presentation Techniques Course, October 7, 2004- Izmir
- Advanced Life Support- Basic life Support Course, November 3-4, 2004, İzmir
- Experimental Investigations (Basic) Course, February, 23, 2005, İzmir
- Experimental Investigations (Advanced) Course, March 4-6, 2005, Izmir
- Current Concept In the Care of Critically Ill Infants and Children Seminar, September 19-21, 2006
- Advanced Cardiac Life Support Course, December 25-28, 2007 (Güven Hospital)
- Neonatal Resuscitation Program, Practitioner Certificate, February 13-15, 2008
- 6th Turkish Pediatric Emergency Medicine and Intensive Care Congress with International Participation, Pediatric Intensive Care Course, March 30 – April 3, 2009
- Neonatal Hearing Screening, Practitioner Training, April 8-9, 2009
- Sedation and Life Support Course, March 29, 2013 (Güven Hospital)
- 22nd Turkish Neonatology Congress (UNEKO-22), Basic Mechanical Ventilation Course, April 10-13, 2014.
- 57th Turkish Pediatrics Congress, Course on Growth Monitoring and Support Guidelines, October 30, November 3, 2014.
- 24th Turkish Neonatology Congress (UNEKO-24), Simulation Course, April 17-20, 2016.
- 25th Turkish Neonatology Congress (UNEKO-25), Non-invasive Mechanical Ventilation Course, April 12-16, 2017.
- Breast Milk and Breastfeeding Counseling (Promotion of Breast Milk and Baby-friendly Healthcare Organizations Program), April 26-28, 2017
