

CURRICULUM VITAE

First Name, Last Name: Sevi Umarođlu Öztürk

Date of Birth: 02.02.1980 HATAY

Department: Cardiovascular Surgery

Marital Status: Married

Foreign Language: English

Education:

School of Medicine, Ankara University, 1998-2005

Residency Education:

2006 – November 2011 Cardiovascular Surgery Department, Istanbul School of Medicine, Istanbul University

Worked at:

January 2015 - September 2018 School of Medicine, Başkent University /ANKARA

February 2012 - January 2015 Kırıkkale Medical Specialization Hospital/KIRIKKALE

Dissertation Studies:

The Effect of L-Carnitine on Cardiac Injury in the Experimental Aortic Ischemia Reperfusion Model, Department of Cardiovascular Surgery, Istanbul School of Medicine, Istanbul University, Istanbul, 2011

Association and Organization Memberships:

- Turkish Society of Cardiovascular Surgery
- Turkish Society of Vascular & Endovascular Surgery
- Turkish Pediatric Cardiology and Cardiac Surgery Association
- Turkish Medical Association

Researches and Articles:

Articles Published in International Journals:

Umarođlu Öztürk S.; A Rare Complication after Aortic Valve Surgery: A Case Report. European Journal of Research, 2017.

- Gültekin B, Ersoy ö, Özkan M, Akkaya i, Umaroğlu S, Sezgin A.; Left Ventricular Assist Device Results: Single Center Experience. *Experimental and Clinical Transplantation*, 2015; 13(Suppl3):149-152.
- Ersoy Ö, Gültekin B, Özkan M, Akkaya İ, Umaroğlu S, Sezgin A.; Effect of Left Ventricular Assist Devices on Red Blood Cell Distribution Width. *Experimental and Clinical Transplantation*, 2015; 13(Suppl3):137-139.
- Uğurlucan M, Umaroğlu S, Tireli E, Alpogut U.; Endovascular Treatment of Mycotic Saccular Aneurysms of The Thoracic Aorta. *Interactive Cardiovascular and Thoracic Surgery*, 2011; 12:61-63.

Articles Published in Local Journals:

- Umaroğlu Öztürk S, Tireli E, Yılmazbayhan D, Ergen A, Uğurlucan M.; The effect of L-Carnitine on Cardiac Injury in An Experimental Aortic Ischemia-Reperfusion Injury Model. *Turkish Journal of Vascular Surgery*, 2018; 27(3).
- Sezgin A, Akay T, Öztürk S.; Are Mechanical Support Devices an Alternative to Heart Transplantation in Treatment of End Stage Heart Failure? Determinants in Selection of Heart Transplant or Mechanical Assist Devices. *Türkiye Klinikleri*, 2018; 10(2).
- Akkaya I, Ersoy O, Umaroglu Ozturk S, Akay HT, Sezgin A.; Treatment Strategies for Abdominal Compartment Syndrome After Endovascular Repair of Ruptured Abdominal Aortic Aneurysms and a Case Report. *Turkish Journal of Vascular Surgery*, 2016.
