

Prof. Banu BİLEZİKÇİ, M.D.

Bachelor's Degree: School of Medicine, Ankara University, 1989

Residency: Pathology, Ankara Hospital, Ministry of Health, 1994

Assignment date of the title “Associate Professor”: April 16th, 2002

Medical Residency Thesis: The Relationship between Lymph Node Reaction and Various Prognostic Parameters in Invasive Ductal Carcinoma of the Breast (1994, Ankara)

Academic Titles

Assist. Prof.	Pathology Department, School of Medicine, Başkent University	2000-2002
Associate Professor	Pathology Department, School of Medicine, Başkent University	2002-2009
Professor	Pathology Department, School of Medicine, Başkent University	July 2009- October 2011

Medical Residency Thesis supervised:

Aksøy, P.K., 'The role of tissue immunohistochemistry and hepatocyte growth factor in diagnosis of acute renal allograft rejection', Ankara, 2002.

Uyar, P., 'Expression patterns of matrix metalloproteinases and inhibitors in viral hepatitis and their relation to fibrosis', Ankara, 2005.

Toru, S., 'What are the affected pathways in the development of colorectal carcinoma that superposes on adenoma?', Ankara, 2007.

Çolak A., 'Clinical and pathologic factors affecting the number of lymph nodes with metastasis dissected in gynecological malignancies.' Ankara, 2008
