

PERSONAL DETAILS

**Andelib Babatürk**

Address: Kızılcaşar mahallesi Yavuz Sultan Selim Bulvarı Bulvar Loft Sitesi C blok No: 54 06830
İncek-Gölbaşı-Ankara

Cell phone: 05064715636

E-mail: dr.Andelib@gmail.com

Place and Date of Birth: 20.11.1989 Ankara

Marital status: Single

Nationality: R.T.

.....
.....
.....

June 2015 - December 2020 Radiology Residency

Department of Radiology, School of Medicine, Ankara University, Ankara

September 2008 – June 2014

School of Medicine

School of Medicine, Ankara University, Ankara

CLINICAL EXPERIENCE

.....
.....
.....

December 2020-Present

Radiologist

Akçakoca State Hospital – Düzce

September 2014-November 2014

Medical Practitioner

Gümüşhane State Hospital, Gümüşhane

PERSONAL ABILITIES

.....
.....
.....

Foreign Language(s)

English (Advanced), Spanish (A1)

Medical Skills

Ultrasonography, Computed Tomography, Conventional and Advanced Magnetic Resonance Imaging, Plain Radiography, Obstetric Ultrasonography, Mammography

STUDIES AND PAPERS

Residency Dissertation Study

Diagnostic Efficacy of Tumor ADC Value in Predicting the Preoperative Chemoradiotherapy Response in Rectal Cancer, Ankara, 2020 (Supervisor: Prof. G. Ayşe Erden, M.D.)

Articles Published in International Journals:

- **Babatürk A**, Erden A, Geçim E. Apparent diffusion coefficient histogram analysis for predicting neoadjuvant chemoradiotherapy response in patients with rectal cancer. Diagn Interv Radiol. 2022 Aug 23. doi: 10.5152/dir.2016.15201.
- Ozkavukcu E, **Babatürk A**, Haliloglu N, Yuçe T, Ucar T. Concurrent Septal and Right Ventricular Aneurysms Detected on Second Trimester Ultrasound Scan: A Case Report. Eurasian J Med. 2018 Feb;50(1): 50-52. Doi: 10.5152/eurasianjmed.2018.17231.

Congresses and Symposiums:

- Society of Abdominal Radiology 2022 (Online)
- Turkish Thoracic Radiology Association National Congress 2022, Ankara, Turkey
- 11. Ercan Tuncel Uludağ Radiology Days 2022 (Online)
- Turkish Society of Radiology National Congress (TURKRAD) 2020 (Online)
- European Congress of Radiology (ECR' 2020) (Online)
- Turkish Society of Radiology National Congress (TURKRAD) 2019 , Antalya, Turkey
- Turkish Thoracic Radiology Association Symposium 2019, Eskişehir, Türkiye
- Turkish Magnetic Resonance Society Annual Scientific Meeting (TMRD) 2019, Ankara, Turkey
- 10. Ercan Tuncel Uludağ Radiology Days 2019, Bursa, Türkiye
- Turkish Society of Radiology National Congress (TURKRAD) 2018 , Antalya, Turkey
- Balkan Congress of Radiology (BCR) 2018, Kuşadası, Turkey
- Turkish Thoracic Radiology Society Symposium 2018, İstanbul, Turkey
- Turkish Magnetic Resonance Society Annual Scientific Meeting (TMRD) 2018, Ankara, Turkey
- Symposium titled “Multidisciplinary Approach to Rectal Cancer Treatment with International Participation” 2018, Ankara
- Turkish Society of Radiology National Congress (TURKRAD) 2017, Antalya, Turkey
- 3. General Radiography Symposium 2017, Eskişehir, Turkey
- Turkish Magnetic Resonance Society Annual Scientific Meeting (TMRD) 2017, Ankara, Turkey
- 8. Ercan Tuncel Uludağ Radiology Days 2017, Bursa, Turkey
- Turkish Society of Radiology Ankara Branch Monthly Meetings 2016-2019, Ankara, Turkey

Speeches

- Radiology: Local and Systemic Staging (Symposium titled “Multidisciplinary Approach to Rectal Cancer Treatment with International Participation” 2018)

Verbal Presentations

- Determination of morphological characteristics of primary breast cancer by focus diffusion-weighted MRI: comparison with conventional diffusion-weighted images and dynamic contrast-enhanced MRI. Y. Metin, N. Orhan Metin, F. Taşçı, O. Özdemir, S. Kul, **A. Babatürk** (ECR 2020)

Posters

- Apparent diffusion coefficient histogram analysis in locally advanced rectal cancer. **A. Babatürk**, A. Erden (ECR 2020)
- Invasive Breast Cancer Or Complex Sclerosing Lesion? **A. Babatürk**, E. Özer, B. Arıkan Ergün, E. Düşünceli Atman (TURKRAD 2019)
- Focal Nodular Hyperplasias (FNH) And FNH-Like Lesions In Patients With Vascular Abnormalities Of The Liver. **A. Babatürk**, B. Arıkan Ergün, D. Kuru Öz, A. Erden (BCR 2018)
- A Rare Complication of Necrotizing Pancreatitis: Emphysematous Pancreatitis. **A. Babatürk** (TURKRAD 2018)
- A Rare Cause Of Heel Pain: Baxter Neuropathy. **A. Babatürk**, B. Arıkan Ergün, Z. Akkaya (TMRD 2018)
- Extragenital Endometriosis Mimicking Carcinoma: A Report Of Two Cases. B. Arıkan Ergün, **A. Babatürk**, D. Kuru Öz, G. A. Erden (TMRD 2018)
- Cranial Meningioma Presenting with Difficulty Swallowing. **A. Babatürk**, E. Peker, Z. Akkaya, M. İ. Erden (TMRD 2017)

Book Translations:

- Thorax Imaging A. M. Ajlan, A. Semionov Translation Editor K. Çetin Atasoy, Dünya Tıp Bookstore, Ankara, 2018
- High Resolution Lung CT-Basics 2nd Edition B. M. Elicker, W. R. Webb Translation Editor K. Çetin Atasoy, Dünya Tıp Bookstore, Ankara, 2019

Courses Attended

- Turkish Thoracic Radiology Association National Congress – Pulmonary Nodule Course, 2022, Ankara, Turkey
- Turkish Neuroradiology Diploma 4th Term 1st, 2nd and 3rd Course 2021-2022, İzmir, Turkey
- Turkish Ultrasound Association Obstetric Ultrasound Course, 2018, Ankara, Turkey
- ESOR Visiting Professorship Programme on Urogenital Radiology 2018, Kuşadası, Turkey

Competency Certificate

European Diploma in Radiology (EDiR) (2021)

Scholarships

ESR-Invest in the Youth Programme (2020)

Association and Organization Memberships:

European Society of Radiology
European Society of Gastrointestinal and Abdominal Radiology
Turkish Society of Radiology
Turkish Society of Magnetic Resonance
Turkish Medical Association

Hobbies-Interests

Photography, Art History, Archeology,
